RULES OF CONDUCT

The Idaho Criminal Justice Commission (ICJC) is committed to collaboration to address important criminal justice issues and wants the public to understand its work. The ICJC welcomes visitors during the open portion of each meeting.

The following RULES OF CONDUCT have been developed to assist everyone in the conduct that is expected of the ICJC's members, guests and visitors.

- ◆ The ICJC will conduct its business as set by the Chairperson and members. Guests may be invited to provide information to the ICJC and members may ask questions of those guests. Visitors who are not ICJC members or invited guests will be allowed to participate in discussions only when requested to do so by the Chairperson.
- ◆ The number of members, guests, and visitors at each meeting will comply with building and safety codes applicable to the meeting room.
- ◆ Requests for interviews and/or discussions with the ICJC members by non-invited visitors must be approved by the Chairperson, unless the individual member initiates discussion.
- ◆ The Chairperson and/or members may, in their discretion, close all or portions of any meeting to guests and/or visitors.
- ◆ The ICJC expects members, guests, and visitors to conduct themselves professionally and respectfully. All visitors attending any meeting will conduct themselves in a manner, which does not disrupt the proceedings.
- ◆ The Chairperson reserves the right to remove disruptive visitors.
