<ul style="list-style-type: none"> <li data-bbox="344 277 1045 342">Tribal Representatives: How MMIP Impacts their Tribe and People 	<p data-bbox="1073 277 2024 505">Why is this important: Bernie LaSarte/CDA: When native people are missing, it impacts the preservation of the tribes, especially women as they are the life givers. CDA has one gal who has been missing since 1987. I am friends of the family. Tribes are already seeing reduced numbers so we don't want to see that impacted because they are missing. There is a perception that most don't care whether or not there are missing indigenous people. It impacts our livelihood and families.</p> <p data-bbox="1073 542 2007 672">Karee Picard/Nez Perce: Tribal members have a lot of unresolved grief. There is more than just data. We need to understand why, where, and when these people have disappeared. There needs to be an equity in response to missing individuals. Violence is normal in tribes due to historical trauma.</p> <p data-bbox="1073 709 1997 839">Tai Simpson/Nez Perce: This issue is not just each tribe, it is intertribal. We need to look at geography, jurisdictions, and look at why we don't have a collaborative in regards to MMIP. This requires a lot from those that advocate and work in this space.</p> <p data-bbox="1073 876 2028 1039">Kathy Gibson/Shoshone Paiute: We often see trauma on trauma. We see that people often don't know they are in a domestic violence situation or any other situation that may not be good for them. There also isn't good data. Some of the information we do have doesn't move forward to FBI because of jurisdictional issues. Man camps are a big issue as we see some looking at that as a way out.</p> <p data-bbox="1073 1076 1986 1174">Patrick Boice/Shoshone Paiute: The problems are very common from tribe to tribe. Missing women and children have gone under reported and getting this out to the public will bring good things.</p> <p data-bbox="1073 1211 1955 1276">Calvin Hatch/Shoshone Paiute: This has many complex solutions and look forward to action items.</p> <p data-bbox="1073 1313 2007 1411">Audrey Jim/Shoshone Bannock: Has felt the same as the other representatives. This has impacted so many. This committee will benefit all. There needs to be increased education to the public. i.e., cultural education</p>

Agenda		Due Date
		<p>Two common themes: intertribal nature/relationships and jurisdiction. Need to address state, federal, and local jurisdictions.</p> <p>There needs to be great partnerships with all that could be involved in a case. Everyone needs to work together. Coordination is key. Relationships have to be in place and can't be implemented when a case occurs.</p> <p>Tanea Parmenter: We need to understand the process and flow. We need to identify the gaps. It is important to know who is responsible for what? It appears there are more individuals missing than are listed in the missing person bureau. Those individuals need to be submitted so they can get the attention they deserve.</p> <p>There is also a need for tribal procedures also. There aren't any policies and procedures for the tribal its self.</p> <p>There is a lack of trust from the tribal communities and that trust has to be rebuilt. We need to look at the definition of "missing." Some agencies don't engage until a definition is met.</p>
	<ul style="list-style-type: none"> • Mission Statement, Structure and Purpose <ul style="list-style-type: none"> • ACTION ITEM 	<p>Reviewed draft mission. Is this something we need to work on? Subcommittee with an updated mission statement?</p> <p>Tai Simpson: Would like to review and maybe take action next meeting. Will work on the language.</p>
	<ul style="list-style-type: none"> • Review Materials and Library for Members • How to Access • MMIP Report – Contact Kelli if you can't access Library 	<p>Materials for the library:</p> <p>MMIP Conference Meeting Recording (from early October): https://us02web.zoom.us/rec/share/yuKksjpG4DUZ2M4AAo24DRFok62440c2F atJzksAToptgR19fu6ZRJC4PvUfsCX7.pCToFURhiQSm3k7z</p>

	<ul style="list-style-type: none"> • Jurisdiction – Local, State and Federal 	This is a big issue and we will continue to work on this.
	<ul style="list-style-type: none"> • Issues for Future Discussion • Future Meeting Dates (May In-person) 	<p>Heather and Bernie: jurisdiction, MOUs, and policies. Maybe focus on one or two topics each meeting leading up to the conference. Then use all the work at the conference. I.e., definition of “missing,” tools for LE to be used in cases, or ISP has done a lot of work in assault kits (tracking numbers), we may be able to use something like that. Please send topics to Heather and Bernie.</p> <p>Conference on May 4th and 5th. We will meet in-person on May 6th.</p> <p>Meeting topic suggestions from chat:</p> <ul style="list-style-type: none"> - Communication to community - web page or location for communities to FAQ on what happens when your family goes missing. The clearinghouse is a tracking for the community. - Developed flow chart for families to include policies & procedures at vary levels. - There might be room to adapt the federal Community Coordinated Response plan statewide.
