### Welcome and Introductions

*Meeting called to order at 4:02 PM. Introduction of subcommittee members.*

### Review of Judge Survey Results

*Sandy Jones provided the results of a survey of District Judges.*

- *For which case types are riders typically imposed*
- *What interventions judges expect during a rider*
- *How frequently riders meets judges' expectations*

### Additional Surveys Needed (Action Item)

**Motion** *to survey Idaho Prosecutors and Defense Bar regarding expectations and feedback on IDOC Rider program. Moved by A. Geddes at 4:21 PM, Second by C. Starr. Motion carried.*

### Review of IDOC Data

*Robin Cornwall, IDOC Data Innovations Team-  
Presentation of IDOC Rider data.*

- *Riders as a percentage of IDOC population*
- *Possible reasons for multiple sentences to Rider*
- *General discussion of factors impacting recidivism*

*Bree Derrick shared that the rider population tends to be at higher risk to recidivate generally. Also, there are not sufficient IDOC resources to provide robust reentry planning for the Rider population*

### Next Steps

*Survey to be sent to Public Defenders/Defense Counsel and Prosecutors Association*

*Suggestions for further review:*

- *Data by geographic location (county or judicial district)*
- *Impact of longer indeterminate sentences on Rider outcomes*
- *Data by criminogenic risk level*
- *Outcomes by violation type (technical versus new crime)*
- *Cost differences between rider and termer*

*Co-Chairs will present and update at ICJC January meeting.*

***Next Meeting: February 11, 2026, 4:00-5:00 PM***

*Meeting adjourned at 5:00 PM.*
